Routledge, UK, 2005. Hardcover. Condition: New. First Edition. 224 Pages. NEW. from around the world, this book considers: the fundamentals of mobile technologies and devices the educational foundations of modern networked learning the issues that underpin mobile learning and make it accessible for all users the challenges of making mobile learning a substantial and sustainable component in colleges, universities and corporations implications and issues for the future. Mobile Learning provides useful, authoritative and comprehensive guidance for professionals in higher and further education and trainers in the business sector who want to find out about the opportunities offered by new technologies to deliver, support and enhance teaching, learning and training. Book Description: Emphasising the issues of usability, accessibility, evaluation and effectiveness and illustrated by case studies drawn from contemporary projects from around the world, this book considers: : the fundamentals of mobile technologies and devices : the educational foundations of modern networked learning : the issues that underpin mobile learning and make it accessible for all users : the challenges of making mobile learning a substantial and sustainable component in colleges, universities and corporations : implications and issues for the future. : Mobile Learning provides useful, authoritative and comprehensive guidance for professionals in higher and further education and trainers in the business sector who want to find out about the opportunities offered by new technologies to deliver, support and enhance teaching, learning and training. : Review: 'This book can be recommended to educators and trainers developing or using mobile learning. Most of the materials in the contextual chapters (and useful glossary) will endure, and the case studies provide a useful and interesting snapshot of some of the projects undertaken by mobile learning pioneers and early adopters. Whilst the technologies used in future mobile learning initiatives may differ from those used in the...
