## SPAWN POINT ZERO: DEFENDERS OF THE OVERWORLD #3 (PAPERBACK)

Skyhorse Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. After repeated boundary attacks by Dr. Dirt and Lady Craven, the United Biomes of the Overworld alliance hangs by a thread and must be rebuilt. Captain Rob, Corporal Frida, and the members of Battalion Zero have made it their lives work to do it--but they ll have to bring the fight home. With the riches gained from their last encounter with the griefer army, they set out to build and defend a UBO capital. As every player knows, though, life in Survival mode isn t all sunflowers and roses. Bat Zero has bought some time for the Overworld by throwing Lady Craven into Creative Mode. Free from the need to battle for every biome border, the indie cavalry turns its efforts toward guarding one stronghold. They must form a standing army, create federal buildings, and gain the support of other villages. Meanwhile, hostile mobs threaten, and the Griefer Imperial Army promises a comeback--with a vengeance. For security, Captain Rob asks his troops to make the ultimate sacrifice: changing their spawn points to the capital city. Will they? Survivalists Frida and Turner have always kept their spawn points secret. Strategist Jools doesn t want to die--ever again. Adventurer Stormie has changed her spawn point so many times that she can t remember how she began playing the game. Even the intrepid captain doesn t want to risk rebirth far from the ocean that brought him into this world .or how will he ever get back home? If the troopers won t agree to transplant, they ll never be able to respawn at their battle stations with any certainty. Letting go of their origins might be the only way they can continue their quest in this hard-hitting third...
