Sourcebooks, Inc, United States, 2012. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. It's been five years since I clicked Send. Four years since I got out of juvie. Three months since I changed my name. Two minutes since I met Julie. A second to change my life. All Dan wants for his senior year is to be invisible. This is his last chance at a semi-normal life. Nobody here knows who he is. Or what he's done. But on his first day at school, instead of turning away like everyone else, Dan breaks up a fight. Because Dan knows what it's like to be terrorized by a bully--he used to be one. Now the whole school thinks he's some kind of hero--except Julie. She looks at him like she knows he has a secret. Like she knows his name isn't really Daniel.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
