I collected all of the love letters Sarah had hidden away in the attic behind the chimney support and began to sort them into the order she had written them; reading through the letters I could see she really did love this man. Sarah had purchased the cottage ready for them both to live in, she had moved into the house to set up and get ready for the two of them, also for the wedding day. The wedding dress was made of silk, with bouquets of her favourite flowers, Jazmin, but it appears the young gentleman s family got wind of the forthcoming event and thought the young lady, Sarah, was not good enough for their boy, the family arranged with some of his friends to get him drunk then had him shipped off with the army overseas to India, with a commission as a Captain in a cavalry unit, the young man s family assured him in time he would forget all about this title hunter and he would find someone befitting his position in society.
