Abingdon Press, United States, 2016. Paperback. Condition: New. Study Guide. Language: English . Brand New Book. From the time the Wise Men came to bring gifts, Christmas has been a time of giving gifts to our loved ones, to the less fortunate, to the church, to favorite charities, to family, to friends, and even to our pets. In the best spirit of Christmas we give and receive Christmas gifts, remembering the greatest Christmas gift of all. God s gift of the Christ Child, God s gift to us of a Savior. As we give and receive Christmas gifts, it is incredibly important to remember that the best Christmas gifts are wrapped in heaven. Unfortunately, sometimes we concentrate so much on the gifts we want to give to and receive from each other that we miss the special gifts Christmas has for us. Christmas has some amazing gifts for us, but the truth is that we need the miracle of God s grace to see them, feel them, hear them, wrap our arms around them, and celebrate them. This study asks a very personal question: What are the gifts you would really like to receive from Christmas this year? And that is what this book is all about: our thoughts and ruminations about the amazing, life-changing gifts Christmas has for us! This Advent study has five sessions: one for each Sunday of Advent and one for Christmas. Leaders and participants work from the same book, which includes readings for reflection, a host of age appropriate teaching-and-learning activities that groups can choose to fit their needs and setting, and a short devotional reading for each day of the Advent season.
