The invasion of Europe was planned by a small group of driving, determined, devoted and occasionally furious men. In the 19th century, the Scottish writer Thomas Carlyle famously wrote, The history of the world is but the biography of great men, popularizing the Great Man theory that the course of history is shaped by a select few heroic individuals. While historians and others continue to debate the accuracy of the Great Man theory of history, there is no question that the course of history is permanently altered by decisive moments in time, where a different result would have produced drastically different outcomes. During World War II, the free world literally hung in the balance, with the Axis and Allies engaging in warfare on an unprecedented scale. Although Hitler s Nazi Germany had overrun much of the European continent by 1940, the Allies began to reverse the momentum in 1942. By the end of 1943, with Allied...
