HEALTH COMMUNICATIONS, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Men aren t trained to take the temperature on their marriages and check if it s in good health. They tend to leave that up to their wives, so it can come as a huge shock when she tells him I don t love you anymore. OK, he sort of knew she hadn t been happy but thought that if he kept his head down it would blow over. However, she s not saying there s a problem we need to fix but that it s over and we need to tell the kids and split up. Suddenly, the bottom has dropped out of his world. He doesn t know where to turn, how to make sense of what she s saying and worse still how to start fixing the problem. His friends will offer a drink to cheer him up but no practical advice and media aimed at men is full of sport, politics and business. He s in a spin, begging for another chance and telling her I still love you just makes her colder and even more angry. Fortunately, internationally renowned marriage counselor Andrew G. Marshall has written My Wife Doesn t Love Me Anymore, to explain how to get your wife to fall in love with you all over again and rebuild a relationship that s more loving and fulfilling than ever. Offering techniques, strategies, and practical advice gleaned from more than thirty years of helping men manage their shock and navigate their way toward a relationship that their wife is crying out for, Marshall explains: How to figure out why she s fallen out of love Five things you think will save your relationship but should absolutely avoid What her words...
