PROLETARIAT POWER: THE REVOLUTION BEGINS (PAPERBACK)

Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The essence of this compilation of creative scripts is to harness the reader s imagination coupled with his or her own similar experiences, with the intent to productively heal, mend and procure a healthy continuance of dreams and aspirations. While scaling through political views, social views and worldviews, there are also relationship emotions to contend with--love, sorrow, forgiveness, etc.--as we all develop through each phase of these thoughts and processes throughout life. The conclusion of Proletariat Power: The Revolution Begins is for the reader to break the monotony of mass media-fed thought and to become self-aware and conscious enough to become independent, imaginative and creative in thought. The true content of Proletariat Power resides in each of us with an emphatic potential to revolutionize our culture, society and processes from one individual to another. What will Proletariat Power: The Revolution Begins inspire you to do? Whatever it is, you can accomplish it with exceptional success. Proletariat Power: The Revolution Begins is within your grasp to extend.
