Joyful Paws, United States, 2010. Paperback. Condition: New. Victoria Kay Lieffring (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Frankie the Walk N Roll Dog keeps rolling along in her doggie wheelchair. This paralyzed dachshund s unabashed healing, exuberant spirit, and spunky personality is a blessed gift to everyone she befriends. In this true, inspirational story, Frankie tells how she became a registered therapy dog and shares her visits to Libby s House, a senior facility where many residents have Alzheimer s or dementia. Frankie teaches us that patience, listening, and understanding opens our hearts to what matters most-love. With this lovely book, Frankie will win your heart and inspire children to overcome whatever obstacles they face in life. Told from Frankie s viewpoint, this journey from using a wheelchair (dog cart) to finding her purpose as a therapy dog is not only touching but also shows children how much joy, healing, and hope a dog can bring to this world. Outstanding! Linda and Allen Anderson, authors of Angel Animals books.
