None of that really mattered to him, though. He hadn't gone looking for someone to hook up with. Once he sets sights on Ryo, however, he's very glad he made the trip. Immediately captivated by the dark angel with the bright smile, Ryo Dantis figured it was a no-brainer to choose Theris as his mate. Unfortunately, he hadn't taken into account how far his grandfather would go to ensure he upholds his familial obligations to produce heirs for his Djinn clan. When Theris goes missing right from their home, there are no lengths to which Ryo won't go to find and rescue the man he loves. Can he save Theris in time and break the spell? Or will he lose everything because of the greediness of others? \*\* A Siren Erotic Romance.
