Brand New Book ***** Print on Demand *****.I started writing poetry when I was seventeen years old; I found out that when you put your thoughts into words sometimes magic happens. I m not talking about genies popping out of a bottle or anything like that, but in how I see things clearer and how beautiful this world truly is. I found out later in life how much easier it was to find a date in high school. I used to try and talk to girls and found out sometimes I d get a little gun shy and pass up my chance. Then one day, I wrote a poem for this girl I had my eye on. I walked up to her and handed her the poem and then walked away. Later she approached me and we went out on a date. I found the magic potion to breaking the ice (so to speak) was a piece of paper and a writing pen. I learned how to put my thoughts down on a piece of paper, which later I put into a blank book that I would write my poems in. After I was told by at least fifty or so people that I should share these poems to others, I sat down and sorted out the poems I thought could touch your heart the best. I hope my poems are inspirational enough to help you create your own book.
