

The Devil's Tiger

By Robert Flynn, Dan Klepper

Texas Christian University Press, U.S. Hardback. Book Condition: new. BRAND NEW, The Devil's Tiger, Robert Flynn, Dan Klepper, What if post-Soviet Union Russia sent biological warfare missiles to the United States, only this time the missiles were animals infected with a virulent form of rickettsia? That's the premise behind this suspense-filled novel from one of Texas' best-known authors. Hunter Jacob Trace is peacefully trapping mountain lions miles away in the Big Bend when violent turbulence rocks a DC-10 on a cross-Atlantic flight. Just as Trace is unaware of the strange turns his life is about to take, the crew is unaware that three rare Siberian tigers in the hold, being sent to U.S. zoos in Houston, San Diego, and Seattle as part of a breeding program, have been jolted out of their cages. When one tiger makes its way to the cabin, the excitement and terror begin. The plane, unable to land in Houston because of bad weather, crashes in Corpus Christi Bay, its pilots killed by the tiger, its passengers terrified. Although many passengers survive the crash, including Arina Yeroskin, the Russian woman veterinarian accompanying the animals, the tigers are presumed dead. But are they? First a tiger is sighted...

Reviews

It is an awesome publication which I actually have ever read through. It had been written really properly and valuable. I found out this book from my dad and he recommended this pdf to discover.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
