

## Animal Dentistry and Diseases of the Mouth, Vol. 1 (Classic Reprint)

Filesize: 1.24 MB

### **Reviews**

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Animal Dentistry and Diseases of the Mouth, Vol. 1 The domain of animal dentistry is too limited to fill a large volume without entering into the details of embryology, anatomy and physiology, and since these sciences are today ably covered by writers possessing special merit in each, it would appear ridiculous for a veterinary practitioner to venture where angels fear to tread. A comprehensive understanding of the teeth in their normal state at the different periods of life, as a foundation for the intelligent treatment of their abnormalities is, however, so essential that it has been thought advisable to include an epitome of these sciences so far as they appertain to the teeth. This Volume, with Volumes II and III, is written at the earnest solicitation of the students I have had the privilege of teaching during the past twelve years, which circumstance is the only excuse for its publication. The fact that animal dentistry is given but limited space in the surgical literature of the profession has not entered into the proposition, because the task of writing books belongs to those having the time and inclination to ponder leisurely over each single topic, and not to the busy practitioner, whose few idle moments are usually interrupted by a call to action. It has been the aim to cover the subject in a matter-of-fact manner, excluding all obscure, rare and imaginary conditions and including all the conditions encountered in the routine of practice. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
