Createspace Independent Publishing Platform, 1904. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The materials out of which this book is made were taken mainly from two sources: a description and explanation of the Abbey ruins by Mr. W. H. St. John Hope, and a collection and annotation of the Abbey records by Mr. John Richard Walbran. The ruins have been minutely examined by Mr. St. John Hope, who has left no stone unconsidered. He has brought to his study of the Abbey a profound knowledge of monastic architecture. The account of his investigations is published in the fifteenth volume of the Yorkshire Archaeological Journal, to which is appended a historical ground-plan of the Abbey, drawn by Mr. Harold Brakspear. The Marquess of Ripon has had copies of this plan framed and placed in various parts of the buildings for the information of visitors. Through the courtesy of Mr. Hope and Mr. Brakspear I am enabled to give a reduced version of this excellent plan.
