Laurence King, 2017. Paperback. Condition: New. Language: English . Brand New Book. Flats: Technical Drawing for Fashion explains how to create a flat using a simple and straightforward step-by-step method. This second edition includes more information on rendering drawings by hand and using a computer, and a brand new section on knitwear. The main part of the book presents over 600 technical drawings of garment types, styles, and construction details, the basic key shapes of which are shown alongside a specially created and photographed muslin. This unique presentation illustrates the relationship between the three-dimensional garment and the two-dimensional drawing, allowing readers to really understand how to render flats.
