

Mao s People: Sixteen Portraits of Life in Revolutionary China (Paperback)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MAO S PEOPLE: SIXTEEN PORTRAITS OF LIFE IN REVOLUTIONARY CHINA (PAPERBACK)

HARVARD UNIVERSITY PRESS, United States, 1990. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book ***** Print on Demand *****. How do we apply Chairman Mao s Thought to get fat pigs? Squad Leader Ho (who knew the most about pigs) replied that, according to Chairman Mao, one must investigate the problem fully from all sides, and then integrate practice and theory. Ho concluded that the reason for our skinny pigs had to be found in one of three areas: the relationship between the pigs and their natural environment (excluding man); the relationship between the cadres and the pigs; and the relationship among the pigs themselves. And so the city slickers, sent down to the countryside for political reeducation, set out to find the Thousand-Dollar Pig, much to the bemusement of the local peasants. The sixteen stories collected in this remarkable book give firsthand accounts of daily life in contemporary China. From 250 interviews conducted in Hong Kong between 1972 and 1976, Mr. Frolic has created charming vignettes that show how individuals from all parts of China led their lives in the midst of rapid social change and political unrest. We hear about oil prospectors, rubber growers, and factory workers, Widow Wang and her sit-in to get a larger apartment, the thoroughly corrupt Man Who Loved Dog Meat, the young people who flew kites to protest antidemocratic tendencies. As fresh and original as the individual accounts are, common and timeless themes emerge: the sluggishness of an agrarian society in responding to modernization; the painful lack of resources in a poor and gigantic country; the constraints imposed on common people by the bureaucracy; the way in which individuals outwardly support the system and inwardly resist it; the limitations of heavy and conflicting doses of ideology in motivating individuals. But there are also recurrent...
