## THE SEARCH FOR GOD AND GUINNESS: A BIOGRAPHY OF THE BEER THAT CHANGED THE WORLD

[DOWNLOAD](#)

Thomas Nelson. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.2in. x 5.5in. x 1.0in. The history of Guinness, one of the worlds most famous brands, reveals the noble heights and generosity of a great family and an innovative business. It began in Ireland in the late 1700s. The water in Ireland, indeed throughout Europe, was famously undrinkable, and the gin and whiskey that took its place was devastating civil society. It was a disease ridden, starvation plagued, alcoholic age, and Christians like Arthur Guinness as well as monks and even evangelical churches brewed beer that provided a healthier alternative to the poisonous waters and liquors of the times. This is where the Guinness tale began. Now, 246 years and 150 countries later, Guinness is a global brand, one of the most consumed beverages in the world. The tale that unfolds during those two and a half centuries has power to thrill audiences today: the generational drama, business adventure, industrial and social reforms, deep-felt faith, and the beer itself. Frothy, delicious, intoxicating and nutritious! No, I'm not talking about Guinness Stout! I'm talking about Stephen Mansfield's fabulous new book. . . The amazing and true story of how the Guinness family used its wealth and influence to touch millions is an absolute inspiration. Eric Metaxas, New York Times best-selling author. It's a rare brew that takes faith, philanthropy and the frothy head of freshly-poured Guinness and combines them into such an inspiring narrative. Cheers to brewmaster Stephen Mansfield! And cheers to you, the reader! You're in for a treat. R. Emmett Tyrrell Jr., Founder and editor-in-chief of The American Spectator. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
