Workman Publishing. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.9in. x 8.0in. x 0.7in. Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the housemagazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes into stunning jewelry, gifts, home decor, party favors, and much more. Chances are youve seen the authors cutting-edge work in the windows of Anthropologie, where she is the chains merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like Parents and Vogue Knitting, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper), and creates something completely trans- formative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. Theres a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quillinga paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
