Excerpt: . . . 11 of these steps will help with the immediate crisis, but fall far short of what is need-ed for the long term. Turning to viable sustainable energy solutions, AFN and its member organiza-tions are strong supporters of the development of alternative energy resources as an important addition to our countrys fossil energy resources. Many villages in rural Alaska are actively working to develop a wide array of alternative and renew-able energy projects. They see not only the potential for reducing the cost of energy, but also the tremendous manufacturing, sales and service components (e. g. , the fact that wind and solar energy will need tailored products, services and alternative building materials; and the fact that plans and supplies for hybrid homes and facili-ties that are now being developed and manufactured abroad could be developed and manufactured in Alaska. Our larger cities are doing the same. Alaska is so large and diverse that one Villages alternative resources may not be available elsewhere. Some areas have...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.
