How do we talk with children whose hope for the safe return of their mom or dad turned into never ending grief? Helen Sherrys gentle and insightful guidance helps children and caretakers to find appropriate expression of their grief, and even instills a glimpse of miracles and hope. This book will be a precious companion for many military and non military families who are facing the death of a loved one. Ingrid Dinter, EFT ADVwww.EFT4Vets.com Helping Veterans and their families heal from the trauma of war with Emotional Freedom Techniques EFT. Angels Ladybugs is a book that will make a difference in a child's life--particularly for those who have lost a daddy or mommy in war.
