Taylor Mitchell has, though not just one. As a woman working in an industry where there are few single men, she's an elementary school teacher, she turns to online dating sites to help her find a match. She gets a real education on dating in the modern world, but her heart remains unattached, until she meets sexy substitute teacher Ben Price. It's true what they say, you find what you're looking for as soon as you stop looking for it. That's exactly when Ben Price arrives at her school. Taylor would like to follow her hormones and leave the world of online dating behind her, but she's not entirely certain he is who he says he is. Substitute teachers didn't usually come with so many muscles, he seemed vaguely familiar, and his appearance coincided with the discovery of drugs in her school. Torn by responsibility to protect the students, attraction to the mysterious Ben Price, and the efforts of maneuvering through the muddy waters of online dating, does Taylor have the talent to juggle everything and come out of it with her heart not only intact, but fulfilled? There's only one way to find out! Hidden Talents is filled with mystery, romance, friendship, bad dates, four-wheeling fun, margaritas, intrigue, cheesecake, and the hope of true love.
