Jo Fletcher, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Hidden under the surface of everyday London is a city of monsters and miracles, where wild train spirits stampede over the tracks and glass-skinned dancers with glowing veins light the streets. When a devastating betrayal drives her from her home, graffiti artist Beth Bradley stumbles into the secret city, where she meets Filius Viae, London s ragged crown prince, just when he needs someone most. An ancient enemy has returned to the darkness under St. Paul s Cathedral, bent on reigniting a centuries-old war, and Beth and Fil find themselves in a desperate race through a bizarre urban wonderland, searching for a way to save the city they both love. The City s Son is the first book of The Skyscraper Throne-a story about family, friends, and monsters, and how you can t always tell which is which.
