Egen Co. LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Signs and wonders are not a gift but a promise to all believers. For over 40 years Frans has walked in the miraculous. His life is a stirring testimony to the power of God s supernatural provision, revelation, intervention, healing and, most of all, His loving, abiding and never failing presence, not only for himself and his family, but for many others as well. Contrary to the views of many, Frans insists, signs and wonders should be as normal for the church today as they were for the New Testament church in the days of the apostles. Miracles are not reserved for the super-spiritual, but should be the bread and butter of daily life for the ordinary believer. In a season for miracles, Frans proves his point through powerful vignettes drawn from his own life experiences and testimonies that will have you laughing, crying, shouting, praising, and worshiping in awestruck silence the God of miracles, mercy, and grace. Most importantly, Frans stories will strengthen your faith, building up in you that confident conviction that you too can walk in the miraculous.
