THE ART AND SCIENCE OF TESLA TRAINING: THE 7 KEYS TO TEACHING LIKE NIKOLA (PAPERBACK)

Gravitation Technologies, LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Tesla Teaching was written for the Audiovisual industry but it is great for trainers (everyone for that matter) in every industry. There are so many training and communications books out there and many books out there about Nikola Tesla. Most of the books about Nikola Tesla are about the controversial things he did near the end of his life and not about the wondrous inventions or incredible works he accomplished. From what I can tell not a single book out there is about Nikola Tesla AND training. This book is all about developing the attributes that made Nikola the great Training Guru (and communicator) that many may not recognize him as being. Nikola Tesla was one of the key founders of modern technology (including AV.) He also transferred his love for communication and science into the business of training. In his communications he used demonstrations that were incredibly convincing to teach people how safe alternating current was. As engineer and inventor there is no question he was incredibly successful. This book explores how you can apply the training principles developed by one of the most brilliant and creative minds in history. Read this book to discover what it takes to blend art and science to provide unique training and communication approaches for your customers. Can you train like Nikola? Examine the principles that were used in early technological communication and training from of one of the first and best to use them. Read this book to discover what it takes to blend art and science to bring out the potential in your students in all your training and communication endeavors. The 7 Keys outlined in this book and are as follows: Capable-Train...
