## TRIDENT'S FORGE

Watkins Media. Paperback. Book Condition: new. BRAND NEW, Trident's Forge, Patrick S. Tomlinson, The Ark and her thirty-thousand survivors have reached Tau Ceti G and begun the long, arduous task of building their new colony by the sea. Meanwhile, on the other side of the world, Tau Ceti G's natives, the G'tel, are coming to grips with the sudden appearance of what many believe are their long-lost Gods. But the first official greeting ceremony between humans and g'tel goes catastrophically wrong, visiting death on both sides. Rumors begin to circulate that the massacre was no accident, and the Ark's greatest hero, Bryan Benson is told to stop coaching his new love of American football and tackle the mystery. Paired up with native 'truth-digger' Kexx, against both of their better judgment, Benson finds himself thrust into the heart of an alien culture with no idea whom to trust, how to speak the language, and how to tell who wants to worship him from who wants to kill him. Together, Benson and Kexx will have to find enough common ground and trust to uncover a plot that threatens to plunge both of their peoples into an apocalyptic war that neither side is prepared for or can afford to lose.
