IN THE SHADOW OF THE MOUNTAINS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the twilight of the year 2003, a stranger arrives in the tiny town of Burns, Colorado. Whispers begin to fly as bodies appear, savagely mutilated, throughout the neighborhood, and the responsibility falls on two monstrously unprepared high school students to uncover the truth before the undead can destroy their hometown. Chris Doyle is a slacker and a sci-fi geek, barely eking through his senior year of high school; Aaron Margolis is a child prodigy who could have graduated at age twelve if his parents had let him. They have never had anything in common until a woman is murdered and Aaron comes asking for Chris's help - he is seeing Texans who cannot be real. Then the high school's English teacher disappears and is replaced by Daniel Leland, the sharp and reclusive newcomer, a man already convicted by public opinion. He says that he is a hunted man, and Aaron believes him, but Chris is not as sure. Doubts or no, Chris has no choice but to join up with the teacher when his best friend is kidnapped by superhuman forces, but this adventure is nothing like his comic books.
