Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Imagine touring a different foreign country each year and bringing your two sons along with you! It s a tradition for author Mariann Margulis to decide with her children where their annual travel spot will be. In 2008, they jointly agreed to tour India for seventeen days. The choice thrilled Margulis, since India had always intrigued her as a child, with its alluring jewels, opulent fabrics, images of the Taj Mahal, and a host of exotic culinary flavors. In her memory, Benares, later renamed Varanasi, was a magical place full of rituals, sacred traditions, and Hindu holy men, or Sadhus. She could hardly wait for the experience! Bats, Rats and Holy Cows or Seventeen Days in India: One Family s Adventure is a memoir recounting the trio s unforgettable trip to this very different land, as she travels with her two sons, ages twelve and ten, throughout the exotic country of India. Journey with them through Delhi, Agra, Khajuraho, Varanasi, and the region of Rajasthan and live through the mishaps, misunderstandings, and madness of their misadventures. Explore the off-beaten paths of India as the adventurous trio tour by plane, train, automobiles, and of course, camels. Experience India like a native as you imagine yourself walking with them barefoot through the Rat Temple, sailing on the River Ganges amidst decomposing bodies, and driving through a sandstorm in the Thar Desert. The shared insights...
