Brand New Book ***** Print on Demand *****.If You Can Breathe, You Can Meditate: A Practical, Secular How-To Guide to Meditation is an indispensable new book that demystifies the practice of meditation, stripping away religious and philosophical associations that have been ascribed to this timeless and universal activity. Broken down into a series of step-by-step chapters, If You Can Breathe, You Can Meditate guides the reader through the various aspects of meditation, providing convenient, easily referenced resources including a section addressing frequently asked questions and a comprehensive bibliography that will assist with further investigation and reading on the subject. Dispel your misconceptions and discover the realities of meditation and mindfulness, as this thoughtful and insightful guide presents a practical way to engage in...
