Days later, a U.S. gunboat returns to pick him up, but the boat's young captain panics under fire and leaves the SEAL behind. Twenty years later, that young captain is now a Pentagon admiral as the SEAL returns to Washington, D.C. with his own career change: he's become a sweeper - a clandestine cleaner of secret messes. And he's come back to claim some things of value - things the admiral can't afford to lose. Navy Commander Karen Lawrence - sharp, smart, and savvy - is assigned to investigate the bad things that start happening to the admiral. She finds herself caught between one man's boundless ambition and another's relentless quest for revenge.
