Brand New Book ***** Print on Demand *****.This autobiography is a complete true account of my life and my shenanigans. It all begins with sex, at what some may think was too young. It moves on to me being under a recording contract while in still in high school. I tell about my meeting Michael Jackson and his entire family back stage after a concert in New York moving on into a life of crime, including drug trafficking, gun running bank robbery. I talk about my time in prison and the very serious way that it made me a man. So join me on this very real life journey into a young mans life, and see where it lead me. Please be advised however, THIS IS ONLY THE BEGINNING!!! #FlameOn.
