COMMANDING THE LIGHT: A CONVERSATION ABOUT PARANORMAL HEALING BETWEEN ANTONIO SILVA AND HANS HOLZER

Blue Dolphin Publishing, Inc. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 7.8in. x 4.9in. x 0.4in. INTRODUCING--Antonio Silva--medical intuitive and healer, as he reveals the principles of paranormal healing and his own unique work in this compelling dialogue with the renowned parapsychologist, Professor Hans Holzer. Their discussion will help enlighten readers to a phenomenal form of healing that transcends so-called new age methods. Antonio practices healing in its purest form--despite the obstacles and density of our modern world. Using this profound yet simple knowledge, Antonio guides humanity to a brand new level of awareness and consciousness. I also feel, depending on each case and its needs, that the best of both worlds--standard medical and alternative medical--should be used for the best results, unless one method is in direct contradiction of the other. Antonio Silva . . . is an outstanding example of a natural healer and cannot be recommended enough. Professor Hans Holzer This is not the practice of energy healing known as Reiki, nor is it the power of suggestion; what I do is grasp the Consciousness inside your body and tell it where to go and what to do. I can remove tumors and lower blood sugar levels. I can slow down and speed up your heartbeat. I can remove pain from your body, and I can just as easily put it back. It is as simple as that. A. S. . . . the supernatural experience that my clients have with me is often the thing that sticks in their minds the most, regardless of how much relief they feel from the illnesses that brought them to me. And the best part about it is that the gifts that are awake in me are waiting to be awakened in you, too; we are all divine in the...
