Navy Education Study Courses: Manual of Standard Practice and Announcement of Courses Prepared for the Voluntary Instruction of the Enlisted Personnel; The Educational Work Outlined in This Pamphlet Supplements That Now Being Given in the Navy; Navy Department, Bureau of Navigation, M The mastery of modern naval practices, by reason of the complex and intricate mechanism involved, requires thorough skill. The vital importance of personnel in the Navy to-day focuses the attention on the individual. We must draw from each individual man the best he has to give. The first step toward this is to offer him every opportunity to learn how to do his work each day efficiently. The Navy Education Study Courses have been designed for this definite purpose. They give the men opportunity to combine the study of theory with the actual practice in their daily naval duties; to study a principle and then see its working out on the ship itself. Experience has shown that certain vessels which have encouraged the use of rating courses have increased the efficiency...
