Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).
(Rebecca Bechtelar)

Hodder Stoughton General Division, United Kingdom, 2016. Paperback. Book Condition: New. 201 x 125 mm. Language: English . Brand New Book. If it ever falls to you, my reader (though God forbid!) to see your name written on a prison wall and followed by the letters LYMTL , that will simply mean Love You More Than Life . These letters are no harder to remember than KGB . GREY IS THE COLOUR OF HOPE is the searing account of the author s experiences in a brutal Soviet labour camp. Only twenty-eight when she was imprisoned for her poetry, Irina Ratushinskaya was already regarded as a leading writer of her generation, in the line of Mandelstam and Pushkin. She nearly died from maltreatment and a series of hunger strikes before eventually finding freedom. With surprising moments of humour, her inspiring memoir reveals how a group of incarcerated women built for themselves a life of selfless courage, order and mutual support.
