LIVING TREE, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the early church the believers lives were filled with the Spirit and power of God. They were not just friends but a closely bonded family, forming their own culture separate from the unbelievers who surrounded them. They made it their living passion to follow the Lord according to truth having only one doctrine. With their hearts on fire miracles, power, and demonstrations of the Holy Spirit were normal for everyday life. These things were done - that your faith should not be in the wisdom of men but in the power of God.- 1 cor 2:5 But somewhere through time things have changed. We act more as friends than family and truth has many versions. We hardly see the power and miracles the early church saw, only hearing stories of isolated events. But power doesn't come unless the passion comes first. In this book you will learn how to experience daily, the living power of God and the passion of Jesus Christ in your life. You will learn how to bring back the early church, that it may be alive and real again today.
