Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

DON S HEART: MEDICAL MARVELS HAPPEN AT ALL AGES (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many people lose hope about recovering from illnesses or injuries in their elder years. Don Sivertsen kept a journal of his feelings at 90 about discovering a heart problem, waiting for the procedure, having it, and the amazingly positive outcome for him. He has written this book to chronicle his experience in hopes that others will feel encouraged--recognize that even older bodies can heal. The book also includes more of his life-affirming experiences and philosophy.
